destrians. Poultry District Established, El Paso now has a wholesale poultry district, the council at the morningmeeting, passing the ordinance after

the second reading. It was introduced a week ago. The district is bounded on the north by Second street; on the west by the first alley west of South Santa Fe street; on the south by the Rio Grande, and on the east by the first alley east of South Santa Fe a rallway mail clerk with a run be-Street. Ordinances accepting the paving on

Rio Grande street between Oregon

and Newman, and on Myrtle avenue, between Campbell and Ange, were read Paving Company to Lay Pipes. The petition of the Texas Bitulithic company proposing to lay water service pipes on East Missouri street, in order to proceed with the paving of the street, was referred to the streets and grades committee with power to act. Since the sale of the water company to the city, the extension of the

service pipes has been held up, the water company receiver refusing to do the work. The Bitulithic company proposes to do the work at actual cost and accept payment after the city assumes charge of the water company. On the motion of alderman Clayton, fruit and shoestring stands in the alley west of the Wigwam theater were ordered removed. Alderman Clayton also made a

port on the progress of the vinduct negotiations on West Main street on the GEO. D. KENDALL makes glasses smelter road, stating he was waiting to hear from the Santa Fe railway and the street railway company as to amount of financial assistance that will be extended.

A petition asking the privilege of re moving an old sidewalk at 314 West 5 San Antonio street and replacing 'it with a tile sidewalk was granted. More Time to Render Property..

Upon the motion of alderman Mc-Ghee, the time for El Paso citizens to NEW 8 ROOM HOUSE
On N. Campbell St. on corner, south front; good view of entire city; red assessor Behr, was extended until Septor a position as telegraph operator tember 10, as a number of residents and, being eligible according to rail-have failed to make the necessary remonthly payments if weeks last year.

A meeting with the city residents living north and west of Newman street, who ask for an extension of the Arizona street car line service was set for 9 oclock Monday morning. The turn to the city on the Boulevard line. grade, was presented by D. W. Reck-hart, who has constructed a new build-remodeled before the T. & P. moves in. ing at the juncture of San Francisco and Main street.

Monthly Reports.

The report of city scavenger Alderete,

showing collections for August as to- | RELIABLE taling \$1100.95, was read, as was also that of S. B. Haggari, building inspector, who reported collections amounting to \$121.50. The weekly report of J. W. Hadlock was also read.

A statement from chief Armstrong of the fire department relative to the accident on August 20, when a young man named Crawford was accidentally struck by the chief in his automobile was read and referred to the city attorney. The accident was the result of both chief Armstrong and Jay Crawford meeting on the left side of a buggy, the chief endeavoring to go around the buggy and Crawford la-tending to pass. Crawford only asks that his wheel be repaired. He received a sprained ankle as a result of the accident.

The City's Health. The report of the health department for the week ending September 8, was submitted by city health officer W. H. Anderson, as follows, showing that births have exceeded deaths by Births, 18; deaths, 16; milk analyses, four; ice cream analyses, four; paving analyses, 11; inspections meat markets numbered 204; meat con-168; hogs, 20; sheep, 34; caives, 64; inspections of fruit and vegetable Sidewalks Must Be Cleared tend the meeting is problematical, he wagons numbered 1425; condemned 445 stating Thursday morning that he had pounds fruit and vegetables, premises inspected, 42; complaints, 35; served, 12. RAILROAD NEWS.

NEW MORGAN SHIP REACHES GALVESTON

El Sol Designed Especially to Carry Onions From

Texas to New York. The Morgan freighter "El Sol" has anchored at the port of Galveston on her malden trip from New York to that port. The steamer is a sister to El Mundo, El Oriente and El Occidente, which will be commissioned in the next

three months. All four ships were planned by the late E. H. Harriman. The ship carried the largest cargo of freight ever shipped on a boat from distributed from that port to points in Texas. The new ship brought disschedule, arriving 12 hours ahead of the regular time of arrival. The ship is said to be as finely appointed as me passenger steamers. It is 430 feet long and has a carrying capacity of 5500 tons. It is especially equipped to carry the onions raised in Texas to New York markets, having a complete system of ventilation. It is announced by the company that in addition to its regular fri-weekly service between Galveston and New York, it will put on additional sallings up to six a week

if the tonnage demands it. The steamer "Chalmette," from Bal Mr. Look, who was called to Mexico timore carrying a solid cargo of thursday morning. The hearing, according to city attorney W. M. Coldary at Galveston. The state of Texas is well, will probable to the state of t one of the largest markets Baltimore has for this kind of goods, as it is the piece de resistance on the ranches. The increase in shipment is due to the reduction in rates on canned goods,
